**PETITION FOR LEAVE TO
INTERVENE - INTERWEST
ENERGY ALLIANCE**

Pursuant to the Rules of Practice and Procedure of the Arizona Corporation Commission
("Commission"), Interwest Energy Alliance ("Interwest") hereby petitions for leave to
intervene in the above-captioned docket and, in support thereof, states as follows:

Interwest Energy Alliance

1. Interwest ("Interwest") is a 510(c)(6) trade association comprised of a
mix of industry and non-governmental advocacy groups, which collectively seek to
encourage renewable project and transmission development throughout the West.

1 Interwest represents the interests of non-governmental organizations and renewable
2 energy developers and primarily wind and solar product manufacturers. See:
3 <http://www.interwest.org/who/index.html>

4 Interwest seeks through education and advocacy to create state-level policies
5 supporting renewable energy development, and to encourage consensus-based
6 approaches to new project and transmission development throughout the West. The
7 organization concentrates its work in the states of Arizona, Colorado, Nevada, New
8 Mexico, Utah and Wyoming.

9 2. Interwest and its members have a substantial interest in this proceeding.
10 The Commission's decision may affect the size, extent, timing and source of Arizona
11 Public Service Company's renewable energy development as well as related transmission
12 issues, and its members will be significantly affected by the Commission's decision.

13 3. No other party can adequately represent the interests of Interwest's
14 members in this docket. Intervention by Interwest will not unduly broaden the issues or
15 delay the proceeding.

16 4. Interwest requests that all pleadings, correspondence, discovery, and other
17 forms of documents be served on the following:
